We are also excited to share about the Pyle Family Community Challenge benefitting Boys & Girls Clubs of Central Orange Coast. **For every dollar raised in support of their Pursuing Greatness Capital Campaign between now and October, the Pyle Family will match - dollar for dollar - up to \$250,000!**

We invite you to join us and support the amazing youth in our community! We will be accepting donations by cash or check throughout the month. If you would like more information or to make a donation online, please visit: [www.boysandgirlsclub.com/pursuinggreatness](http://www.boysandgirlsclub.com/pursuinggreatness).

The Pursuing Greatness Capital Campaign will fully renovate the Boys & Girls Clubs in Costa Mesa, Irvine, and Newport Beach, and will enable strategic enhancements for the Club in Santa Ana. It will enable them to increase their capacity to serve more kids and equip each Club with the tools and resources needed for 21st century success.

David Pyle is a renowned philanthropist who is especially supportive of health care and education programs that aid underserved and at-risk children and families. His sons attended the Costa Mesa Club. With fond memories of their Club experience, the family has issued a challenge to the community to join them in support of the Clubs.
